

### SUPPLEMENTAL DECLARATION

Assistant Commissioner  
For Patents  
Washington, DC 20231

Sir:

We, Eric Baldwin and David Blackall, as the named inventors in the application for letters patent for a PRE-REGULATOR WITH REVERSE CURRENT BLOCKING, Serial No. 10/805,743, filed in the United States Patent and Trademark Office on or about the 20<sup>th</sup> day of March, 2004, declare that we have reviewed and understand the subject matter in the following amendments:

Amendment filed January 19, 2006

that said subject matter, including the claims as amended, was part of our invention, and was invented before the filing of the original application, above identified, for such invention; and that we acknowledge our duty to disclose information of which we are aware is material to the patentability of this application in accordance with Title 37, Code of Federal Regulations, §1.56.

We further declare that all statements herein made of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
